

Blaine Wrestling Booster Club Meeting Minutes Monday, March 16th

Inaugural:

Bylaws

We discussed the need to create bylaws. Currently, the booster club has no by-laws in place. Chris informed us that he has access to other booster club by-laws with which we may use for reference.

Committees

It was discussed that we form standing committees. The recommended committees are: fundraising committee, communication committee, bylaw committee, and uniform committee(?) Each committee will set its own meeting time. Chris volunteered as the leader of the communication committee. Scott Knoer and Ryan Marsh agreed to participate in a by-laws committee. It was discussed that all interim board members and anyone on the board will review the bylaws.

Board of Directors

We established a standing board of directors. The directors have exclusive voting rights. The officers named are the following:

President-Ben Moody
President-elect-Jaymi Greseth
Treasurers-Jane Hintz and Missy Meyers
Secretary-Kari Muyres
At-Large Youth - Pat Budnick
At-Large Middle School - James Kittelson
At-Large High School - Bill Hintz

Booster club responsibilities

We summarized that the year-to-year tasks that need to be completed are: review paperwork with the government. We have filed for non-profit status as of the meeting (501C3). We need to incorporate that information into our budget. (Between now and the next meeting?) Insurance-it was shared that we need to have \$1000/year for premiums to cover liability for tournaments. Lastly, we touched on our club status with USA Wrestling and Mat Bandits.

Old Business: None

Meeting adjourned. Ben Moody will inform the Booster Club and board of the next meeting time, place, and date.
