

Blaine Wrestling Takedown Club Meeting Minutes 7/20/09

Board Members Present:

President: Ben Moody
President-elect: Jaymi Greseth
Secretary: Kari Muyres

New Business:

This will be the last year for the current singlets. For the 2010-11 wrestling season, President Moody suggested we standardize them to look like the varsity singles. We need to do some more fundraising.

Kim distributed copies of the Suspension or Termination of Board Members as an insertion to the proposed by-laws. She agreed to work on the editing of the rough copy of our proposed bylaws. Additionally, Jaymi agreed to check in with attorneys to solicit advice.

We discussed adding a “code of conduct” parent/guardian signature for wrestling registration in the fall. Jaymi agreed to bring a copy of such a form from another sport.

We need a calling tree to get out as many parents and members for the Aug. 17th Takedown Club meeting to encourage parents to participate in committees (see below). This is an event for wrestling parents to sign-up and get involved!

President Moody shared the format of Robert’s Rules of Order for the upcoming meeting. He shared the order of events we must follow to conduct our upcoming meetings.

Don mentioned that he may have access to two passenger vans for use with the youth. Jaymi agreed to investigate insurance costs.

Old Business:

We discussed proposed committees for this fall. President Moody recommended the following: Communications, Fundraising, Finance, Equipment and Clothing, planning (subcommittee of tournament and event), and Freestyle. Some discussion followed regarding combining and streamlining committees.

Proposed Chairs:

- Communications-Kim An and Chris Gross
- Finance-Missy
- Planning-Ben

Adjournment:

A motion to adjourn was made at 7:30.

Respectfully Submitted,

Kari Muyres
Secretary
