The 2010 Blaine Youth Wrestling Summer Camp

This summer the Blaine Youth Wrestling program will be holding its first annual Summer Wrestling Camp. We will be reviewing all the critical basic techniques to refresh and help our wrestlers prepare for the upcoming season. It is extremely important to gain a firm grasp of the foundational skills to help jump start our wrestlers towards more advanced techniques. As such, we highly encourage all wrestlers to attend. The camp is free to all Blaine Wrestlers and all will earn an exclusive camp T-shirt upon successful completion of the 4 day camp. This camp is open to non-Blaine Wrestlers for a nominal fee, so invite any wrestlers from other schools as well! Have them contact Coach Moody for more info.
